Subject: Final Version of RARE proposal for signatures
Attachments: RARE proposal_signed cover page March 11 2016.pdf; RARE Proposal NECAH Tillamook_March 11 2016_final.docx

Hi All-

Please find attached the final version of the proposal and a pdf of the front signature page (signed by my branch chief). The proposal includes a letter of support from Lisa Phipps, Executive Director of Tillamook Estuaries Partnership and the TEP is now listed as a collaborator. In addition, on Monday Francis Chan is going to provide me with a letter of support as well.

Rochelle, probably best to have print the pdf and get signatures and then scan and we can insert that into the document as the first page.

Once we have a signed complete version, I will send copy to Ted, Lisa Phipps, and our Division Director.

Fingers crossed that we get this funded!

Cheryl
